

# Mediators

The following persons are qualified through training and profession to mediate disputes under the Dispute Resolution System. Place a mark (✓ or X) next to any mediator who you feel may not serve as an objective third party. Typically, a challenge is made if either party has a personal or business relationship with the mediator. Any mediator objected to by either party for a valid reason will not be chosen. You must state a reason for your objection. Fees are \$500, split between the parties (\$250.00 per party).
